SUMMARY

Motivated web developer with knowledge in frontend and backend development. Skilled in React.js, JavaScript, HTML, CSS, Node.js, Python, and MySQL. Able to build responsive websites and web applications with clean UI and basic API integration. Quick learner with good problem-solving skills and interested in learning new technologies.

PROJECTS

Quick Prep Hub

2026

- Designed and developed a scalable MERN stack web application to manage high-volume educational content such as e-books and interview resources.
- Implemented secure JWT-based authentication to ensure high availability and role-based access control.
- Optimized API performance to reduce response latency and improve user experience.
- Followed full Software Development Life Cycle (SDLC) from requirement analysis to deployment and maintenance.
- Continuously improved application performance by evaluating alternative technologies and optimizing database queries.

WORK EXPERIENCE

SOFTWARE DEVELOPER INTERN (NXWEB)

May 2024 – June 2024

- Learned and applied frontend and backend development concepts using React.js and Node.js
- Gained hands-on exposure to debugging, testing, and deployment activities
- Assisted in implementing responsive and user-friendly web interfaces
- Worked with REST APIs and responsive UI development during internship tasks

EDUCATION

Master of Computer Applications

2023-2025

JJ college of arts and science - CGPA 7.96

Bachelor of Computer Science

2020-2023

JJ college of arts and science - CGPA 7.70

TECHNICAL SKILLS

- Programming Languages: Python, JavaScript, HTML5, CSS3
- Frameworks & Libraries: React.js, Node.js, Tailwind CSS
- Databases: MariaDB, SQL
- Development Concepts: Frontend Development, Basic Backend Development, REST API Integration, Authentication & Authorization, Responsive Web Design, Performance Optimization, SDLC, OOP Concepts
- Tools & Platforms: Git, GitHub, VS Code, Postman, Bruno

CERTIFICATIONS

Software Developer intern - NxWeb | Web Development - Great Learning | Product and Brand Management-NPTEL | MERN Stack Development - JJC | Introduction to Soft Skill - Tcsion, 2024
